

Mission Statement

At Scoil Bhríde, Eglantine each individual is respected and valued for their unique qualities and abilities.

Our aim at Scoil Bhríde is to develop the academic, spiritual, creative, personal and social skills of the child so that she may be better able to realise her potential as an individual and as active member of society.

As a formal agent of education within the Catholic Community, this school models and transmits a philosophy of life inspired by belief in God. The policies, practices and attitudes of the school therefore are inspired by Gospel values.
