All denominational schools

Scoil Bhríde, Eglantine is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

4. Categories of Special Educational Needs catered for in the school/special class

Enrolment of Children with Special Educational Needs:

Children with special educational needs are welcome to enrol in Scoil Bhríde Eglantine and every effort will be made to provide them with an appropriate education as well as to include them in every aspect of school life.

In relation to applications for the enrolment of children with special educational needs the Board of Management will request a copy of the child's medical and/or psychological report and all relevant professional reports, or where such a report is not available, will request that the child be assessed immediately.

The purpose of the assessment report is to assist the school in establishing the educational and training needs of the child relevant to his disability or special needs and to profile the support services required for both pupil and teacher.

Following receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will, prior to enrolment, request the Special Education Needs Organiser (NCSE see Circular

01/05) to provide the resources required to meet the needs of the child as outlined in the psychological and/or medical report. These resources may include for example, access to or the provision of any or a combination of the following: S.E.T, SNA, visiting teacher service, assistive technology, specialised equipment or furniture, transport services or other.

The school will meet with the parents of the child and with the SENO to discuss the child's needs and the school's suitability or capability in meeting those needs. Where necessary, a full case conference involving all relevant parties will be held, which may include the following relevant parties; parents, Principal, Deputy-Principal, class teacher, SEN teacher, Special Educational Needs Organiser or psychologist and other professionals as deemed appropriate.

The Board of Management may defer enrolment of a pupil with Special Needs until such time as all necessary resources are in place in the school.

Scoil Bhríde Eglantine has one ASD special class. Students who apply must have a diagnosis of Autistic Spectrum Disorder (DSM-IV/V or ICD-10/11) and supporting original documentation in order to be considered for enrolment in the ASD Special Class. The ASD special class will not enrol students who have more than a moderate intellectual disability. A pupil's placement needs to be as accurate a reflection of his needs as possible so that the child can be given a reasonable opportunity to integrate into the mainstream setting.

The school may refuse admission to this class, where the student concerned does not have the specified category of special educational needs provided for in this class. Parents are asked to openly engage with the relevant professionals on a regular basis to ensure the child is in the appropriate setting.

Please see Appendix 1

APPENDIX 1

ADMISSIONS POLICY - AUTISTIC SPECTRUM DISORDER SPECIAL CLASS

Our Aim

Our special ASD class aims to offer an autistic specific learning environment within a mainstream national school. The setting facilitates optimum inclusion, integration and reverse integration as part of the school community with access to mainstream classrooms and activities as appropriate.

Enrolment Procedure

1. Initial contact is made by parents/guardians/SENO in relation to the child by completing Pre-Enrolment Form. This does not constitute confirmation of enrolment. This form must be returned within 2 weeks from the date of issue.
2. Applicants are required to provide every report from an educational or clinical Psychologist or Psychiatrist and a multidisciplinary team or any variation thereof. These should clearly recommend that a placement in a special class in a mainstream school is suitable for the student. A recommendation for a placement in a special class only attached to a mainstream school is required.
3. The withholding of reports from the school may invalidate an Enrolment Application at any time.
4. Students who apply must have a diagnosis of Autistic Spectrum Disorder (DSM IV/V or ICD- 10/11) and supporting original documentation in order to be considered for enrolment in the ASD Special Class. The ASD special class will not enrol students who have more than a moderate intellectual disability. A pupil's placement needs to be as accurate a reflection of his needs as possible so that the child can be given a reasonable opportunity to integrate into the mainstream setting.
5. Parents/guardians will agree to share the content and copies of any further reports obtained at a later date with the school.
6. Applications will in the first instance be reviewed by the Principal and relevant staff member/s to determine the suitability of the ASD Class for placement of the child in the Special Class at Scoil Bhríde Eglantine. The school will be advised by the SENO. A recommendation will be made in relation to each application to the Board of Management of the school. The Board of Management will apply the directions of this policy and make the final decision on all applications.
7. Once this process has been completed the applicant is placed on a waiting list of applicants to enrol. Parents/guardians will be notified in writing if and when their child has secured a place. The school application form, incorporating family details is then completed for children who have secured a place.

Return of Forms of Acceptance

Letters of offer for places in the ASD class will be issued and must be returned within two weeks of the letter of offer being issued by the school. All acceptance forms must be accompanied by a signed acceptance of the School Code of Behaviour in accordance with Section 24(4) of the Education Welfare Act 2000. If the school does not receive the acceptance form within the two week period, the place will be offered to the next child on the waiting list for that school year. Verbal acceptance of a place is insufficient.

Post Acceptance

1. Upon acceptance of an offer the parents will be invited to visit the school to meet with the Principal and relevant staff member/s. Any information requested by the parents will be provided at this meeting.
2. The parents/guardians will be invited on another occasion to come with their child to the class to meet with staff and see the classroom.

Alternative Placement

An alternative placement may be recommended at any time if the Board of Management, after consultation with the Principal, relevant staff member/s, parents/guardians, SENO and outside professionals agree that the placement is not appropriate.

Where the education placement has broken down, the school, in consultation and cooperation with the parents and relevant professional agencies will support the child in exiting the school and assist where necessary/possible in sourcing an alternative placement.

Any student enrolled in Scoil Bhríde Eglantine Special Class can with parental approval unenroll from the ASD Special Class and remain as a student in Scoil Bhríde Eglantine, following consultation with Principal, relevant staff member/s, parents outside professionals and SENO.

Evaluation

The Board of Management will monitor the implementation of all aspects of this policy.

Review Procedure

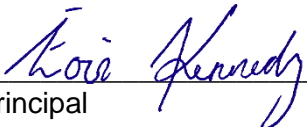

This policy will be reviewed on an annual basis - First Board of Management meeting of the new school year.
